

Date: July 5, 2022

Hello Langlade County Resident,

If you own lake or river shoreland property and would like to learn about best practices and programs to protect water quality and habitat, as well as permanent conservation options through the Northwoods Land Trust (NWLTT), please consider attending this Shoreland Owner Workshop on Friday, July 21 at 10 am at the Noboken School Forestry Building on Hwy J in Pearson, 12 miles north of Antigo.

This workshop is co-sponsored by the Langlade County Conservation Department and other organizations.

A light lunch and beverages will be served.

Topics / presentation / discussion include:

1. **Maintaining water quality through shoreland best practices and restoration options (vegetation management and erosion control).** *Kathryn Bender-Ream, Shoreland Specialist, Langlade County Conservation Department.*
2. **Permanent shoreland and upland conservation options for private landowners including the basics of conservation easements.** *Kari Kirschbaum, Land Protection Director, Northwoods Land Trust*

Pre-registration is requested. **To register, visit**

<https://northwoodslandtrust.org/event/shoreland-owner-workshop-langlade/>. This event is free.

You are receiving this email because you are part of a lake organization in Langlade County and/or receive the free quarterly Lake Tides publication. If you do not receive Lake Tides and wish to (I recommend it!), you can subscribe here: [UWSP | UW Extension Lakes - resources - Newsletter-LakeTides - Extension Lakes | UWSP](#)

Please let me know if you have any questions.

Sara
