

# PLIA Membership and Donations

Membership dues support the work of the PLIA. Dues are due by January 31, as payment for the new calendar year. If paid by January 31, the member will be entered in a special drawing to be held at the Fishing Jamboree. Paid members will be able to vote at the annual General Membership Meeting held in the summer of each year. The date on your mailing label indicates the year through which your membership is paid.

In addition to the membership dues, you can make donations to support several of the PLIA programs on the form below. Thank you for donating! As a nonprofit organization the PLIA would not exist or be able to support our lake community programs without your generosity!

Please mail the form below, along with payment to:

PLIA
